

Friends of Mount Morris Lakes

November 10, 2014

Dear member of the Mount Morris Lakes Management District,

This letter comes to you with a request to support the Friends of Mount Morris Lakes Endowment Fund.

All of us know and truly appreciate the wonderful beauty and benefits of the Mount Morris Lakes, either as seasonal or year-round residents. Part of that knowledge and appreciation leads each of us to take our share of the responsibility to protect the lakes and the established properties that make our five lakes so very special.

At the annual meeting of the Mount Morris Lakes Management District (MMLMD) the membership resolved to create the Friends of Mount Morris Lakes Endowment Fund for the purpose of helping to secure future sustainability and ongoing improvement of the Mount Morris Lakes, under the direction of the MMLMD Board. The endowment fund is now operable and in place with the Oshkosh Area Community Foundation.

An initial endowment fund goal of \$600,000 was agreed upon for the purpose of providing a 5% annual payout sufficient to fund all annual aquatic invasive species management and treatment activities. To begin, the MMLMD asks that each member consider a \$1000 contribution to the Friends of Mount Morris Lakes endowment fund, as part of a commitment to contribute \$3000 over the next three years. Contributions can be made incrementally at whatever amount is reasonable for each member.

Please complete and send the enclosed form with your credit card information or check (include Friends of Mount Morris Lakes in the memo line) to The Oshkosh Area Community Foundation, 230 Ohio Street, Suite 100, Oshkosh, WI 54902-5894 or make your contribution online at www.OshkoshAreaCF.org by selecting the Friends of Mount Morris Lakes Endowment Fund.

If there are questions please call Paul Brinkman at (920)787-7985.

Sincerely,

Timothy Dahlstrand
Chairman
Mount Morris Lakes Management District

Paul Brinkman
Endowment Committee Chairman
Friends of Mount Morris Lakes
